

ABOUT US

Advanced Bank of Asia Limited (ABA Bank) is the leading Cambodian commercial bank established in 1996. It is a subsidiary of National Bank of Canada, the sixth-largest commercial bank in Canada and the leading bank in the Quebec province.

International financial publications including Euromoney, Global Finance, Asiamoney, and The Banker have continuously recognized ABA as the Best Bank in Cambodia. Among other achievements, the awards highly praise ABA's strategic focus on innovative banking experiences and digital services.

Over the years, ABA has been redefining what banking is and what it can do to make life and work easier for everyone. We have pioneered digital banking solutions in Cambodia through our hallmark products and business services for individuals, SMEs, and multinational corporations.

The 2023 calendar, Endless Opportunities with ABA, showcases the opportunities that Cambodians from all walks of life can benefit from using the bank's client-centric products and services.

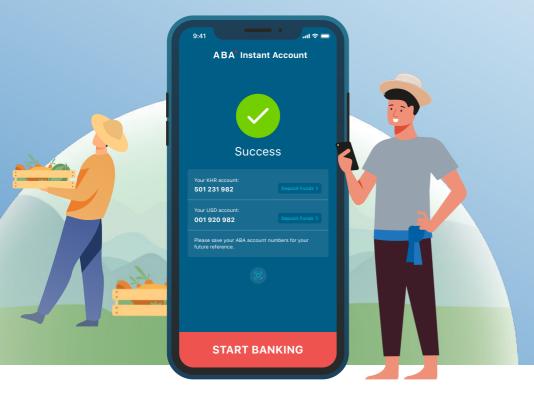

ANYONE CAN ENJOY ACCESS TO MODERN BANKING SERVICES WITHOUT VISITING THE BANK

One may think it's hard to open their first bank account because they have to visit the bank branch physically or have a lot of money to open one. Not anymore!

Opening a bank account with ABA is much easier now as it can be done within minutes from a smartphone. ABA Instant Account allows any Cambodian, including street food sellers, garment workers, and farmers, to access banking services despite not having the time to visit a bank branch or hold limited funds.
