Activation Guide for Existing Customers

1. Sign in to your iBanking for Business

2. Click your profile photo and move the ABA DigiGuard Activation toggle in Profile Setting

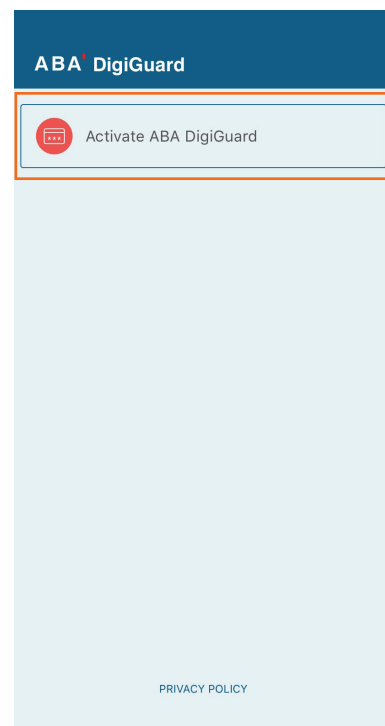

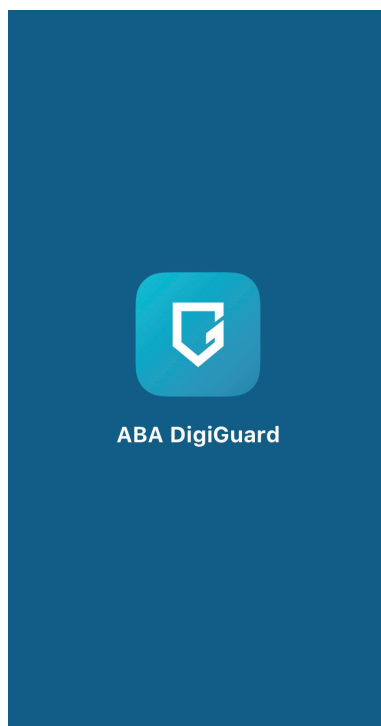

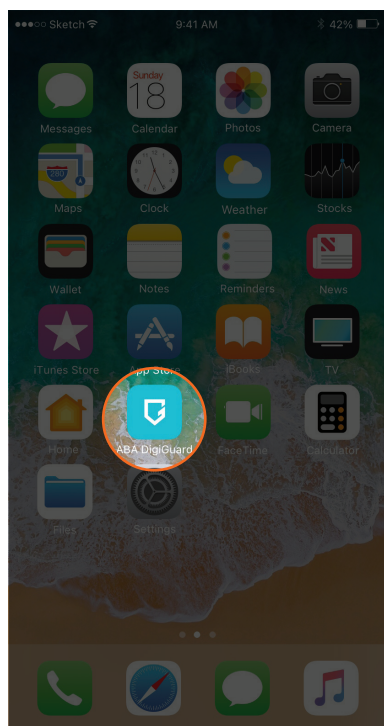

3. Enter the OTP you received via SMS and click NEXT

The screenshot shows the ABA DigiGuard Activation interface. The top navigation bar includes the ABA BANK logo, a notification bell, and the user's name 'Sathi Nimol Super Administrator'. A left sidebar lists various banking services. The main content area displays the 'ABA DigiGuard Activation' process with three steps: 1. SMS Verification (active), 2. Download App, and 3. Activation. Below the steps, a message states: 'Enter your secret code. SMS with secret code is sent to your phone number (**383), registered with ABA'. A numeric keypad shows the code '4 4 5 4 5 4' entered. A 'Remaining time: 0:59' timer is displayed. A 'NEXT' button is at the bottom right. A 'Profile Setting' sidebar is open on the right, showing options like 'Change Password', 'Receive Email Notification', 'ABA DigiGuard Activation', and 'Temporary Block iBanking Access'.

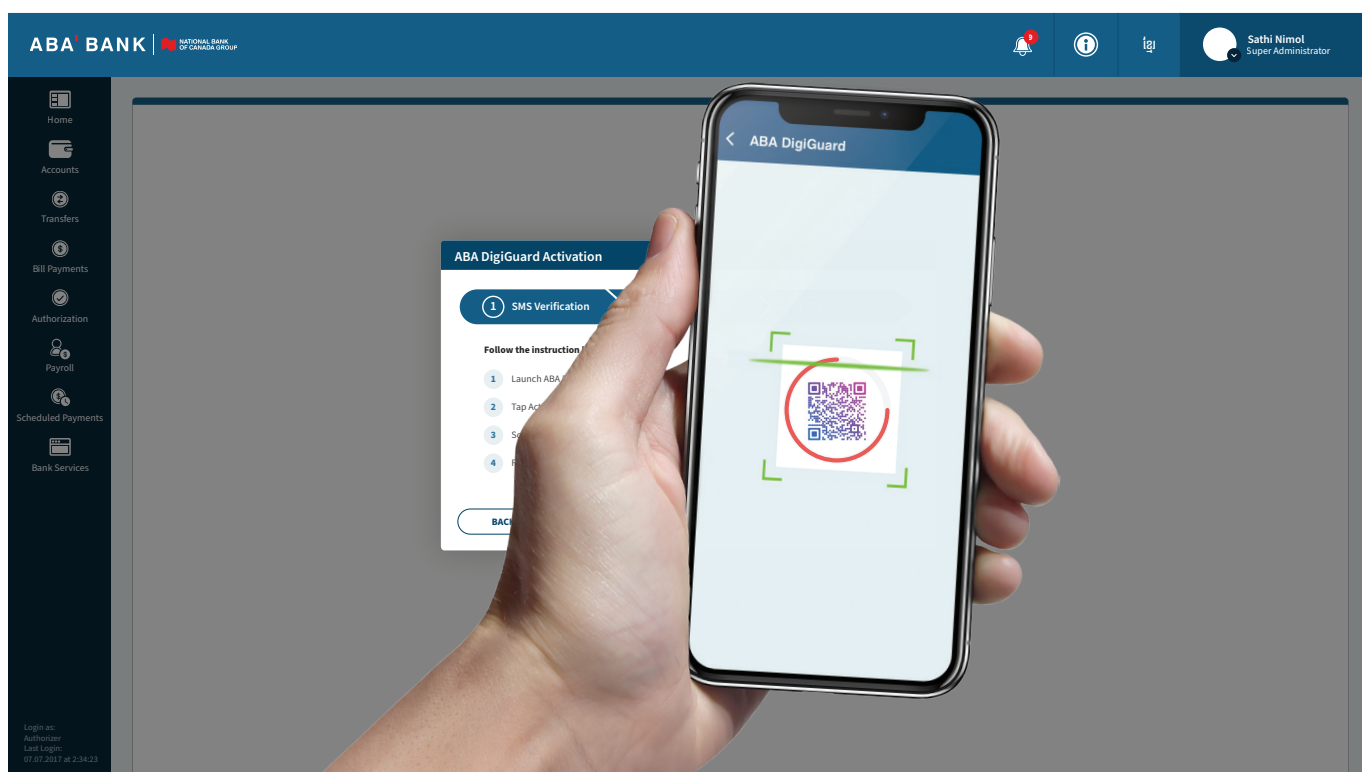

4. Scan the displayed QR code with your smartphone to download ABA DigiGuard app. On your iBanking for Business screen, click NEXT

The screenshot shows the ABA DigiGuard Activation interface at the 'Download App' step. The top navigation bar and left sidebar are the same as in the previous screenshot. The main content area displays the 'ABA DigiGuard Activation' process with three steps: 1. SMS Verification, 2. Download App (active), and 3. Activation. Below the steps, a message states: 'Enter your secret code. Scan QR code below with your phone camera to download and install ABA DigiGuard before proceeding to the next step'. A QR code is displayed in the center. Below the QR code, it says 'also available at:' followed by 'GET IT ON Google Play' and 'Download on the App Store' buttons. A 'NEXT' button is at the bottom right.

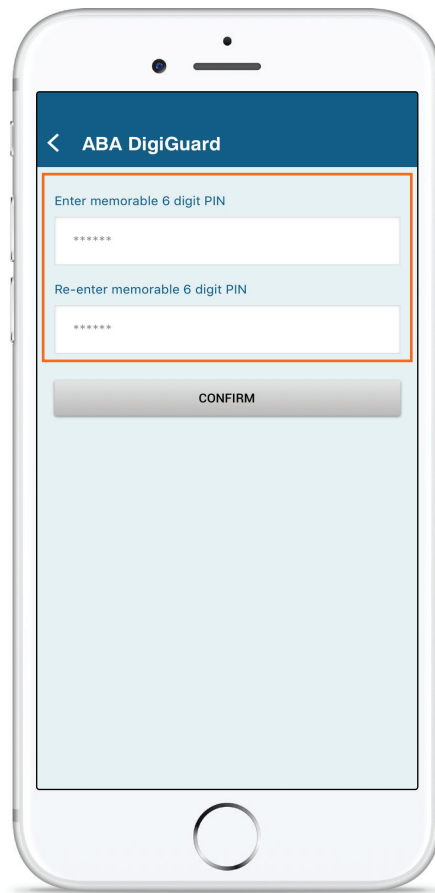

5. Launch ABA DigiGuard and tap Activate ABA DigiGuard. The app's scanner will be activated

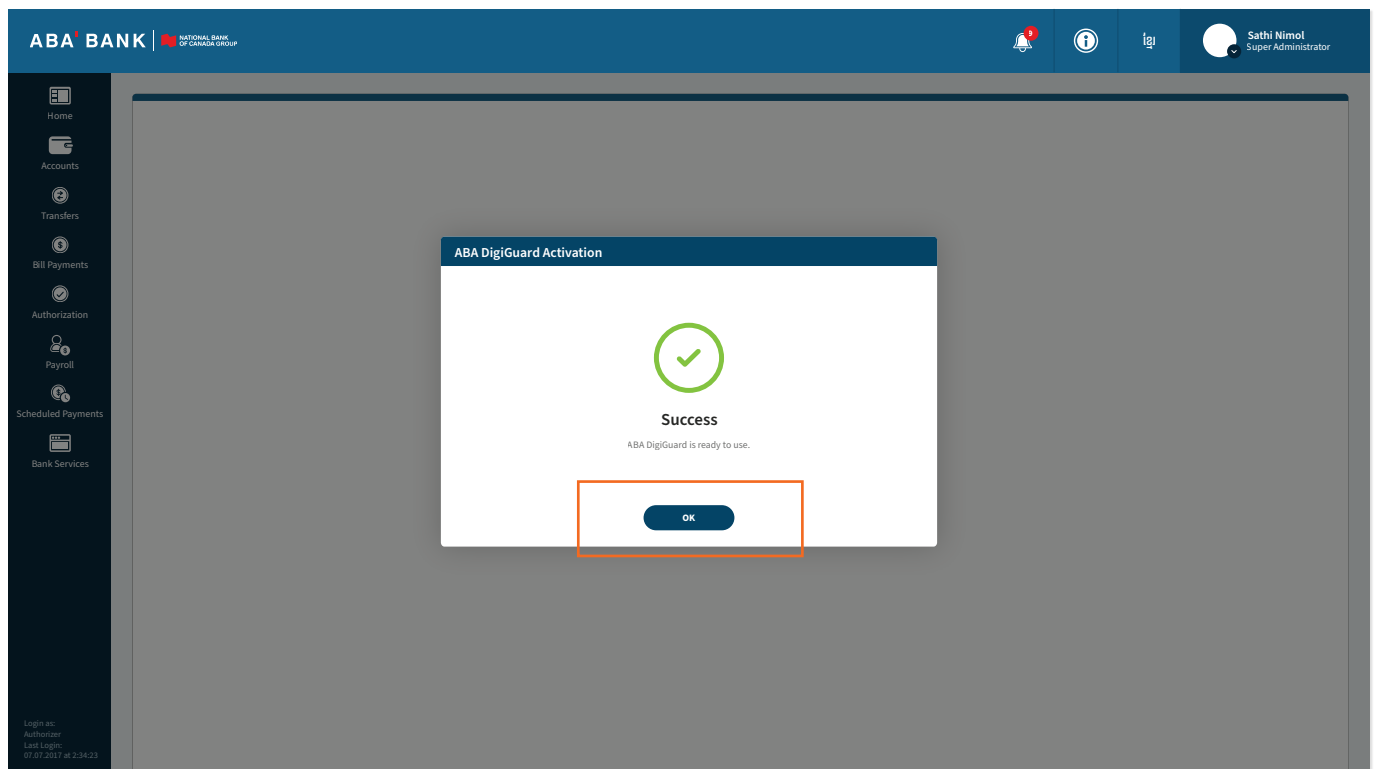

6. Scan the new QR code displayed on the iBanking for Business screen

7. Create a personal 6-digit PIN, re-enter and tap CONFIRM

8. ABA DigiGuard activation is successful and ready to use
